III. Tim Taylor for Marti Emerald’s office – Absent

Committee Reports:

IV. Property Managers Report: New owners have been reported. APS will be in contact with the Social Committee in order to update them of new homeowners.

V. Architectural Report – LJ Joyner reported that lot 11 has requested a second garage. The architectural committee has requested drawings to be able to approve the potential set backs on the lots. Lot 68 on Palo Verde returned a response to the letter requesting the architectural application. Lot 73 - Realtor Signs have been placed in the area in an attempt to divide the property into 4 lots. Several lots are not included in the association. The lot lines on the poster do not match the lots lines by the county.

VI. Community Park - Wayne Breise – None

VII. Gate Operations – Dennis Collins presented that a new motor had been purchased for the gate.

VIII. Landscaping - Jose Reynoso present that several of the trees along Yerba Santa and near the park have not been trimmed or shaped in many years. Jose shared a quote to thin the trees toward the bottoms and the bushes on Yerba Santa toward Montezuma. This will allow cars leaving the property to be able to see the traffic better. The brush near the property will have the brush removed as well. (M/M/S/P) The Board approved the trees along Yerba Santa and near the park be trimmed for a bid of $3,000 by Philips Tree Service & Landscape (Hinkle/Wiles)

IX. CACC - Jose Reynoso reported an update on the recent CACC Meeting. The City is working on an update for the bike lanes in the area along the proposed Montezuma Trail. An area along
Collwood was painted to designate the bike lanes, but the City is looking for alternate options for this area. The Montezuma Trail and beautification project are still under consideration by the City and the CACC meeting will be continued on Wednesday.

X. Newsletter/Safety - David Wiles reported on the update from the annual meeting regarding restricting of Pit Bulls breeds from the community. Several options were discussed and the next newsletter will include a survey of the owners. Survey topics include desire to ban pit bulls, desire for a dog park and other dog related questions. It was offered that a dog park in the community would increase the familiarity of dogs in the community.

-Ken Klaymen left the meeting –

XI. Streets - Wes Hinkle finalized the bids to have all the streets in the community repaired. The Bid will apply hot rubber crack filler, remove and replace cracked sections with 4” of asphalt, to clean and apply one coat of golden state seal. (This seal is for roads in good condition.) They would like to begin work in the end of April. After 30 days the sealer would be applied. After the sealing has dried the roads will be re-striped & stop signs lines painted. (M/M/S/P) Motion to approve the bid for George Weir Asphalt in the amount of $51,150 to complete the crack fill, replacing of deep cracks as well as a coat of Gold State Seal on the roads in association passed unanimously.
