Councilmember Sean Elo-Rivera
• Elo-Rivera’s office ran a survey to receive community input on budget priorities. They received 500 responses which they published in the budget priorities memo. The responses reflected 3 big priorities; clean neighborhoods, safety, and justice.
• Elo-Rivera is now City Council President, but his 1st priority is still District 9.
• The Council is hiring an independent budget analyst. Voters decided to create this role in 2005
• On Saturday, 2/12, the office will hold a State of the District event
• Addressed the recent dumping of tires and trash at Yerba Santa Dr. near Montezuma. Unacceptable with huge environmental implications. At a minimum, Elo-Rivera is committing to issuing a letter to the tire company to put them on notice. The office has received the SDPD report and will explore other enforcement options.
• Addressed the recent tar and asphalt on the streets. They have connected with the contractor, who committed to keep their subcontractor accountable for cleaning up the tar and asphalt globs. Jeff asks the community to keep them apprised/accountable if not handled quickly.

Ongoing Business/Committee Reports:

Treasurer’s Report:
The November financials still need adjustments. Ken projects a net deficit of approximately 20k by end of December 2021 but will not know for certain until audit is complete. The biggest contributors to the deficit are Legal fees associated with clubhouse and undergrounding projects. For the audit, the only thing outstanding is the
YTD numbers included in the December financial to come in mid-February.

**Property Manager’s Report:** APS sent out nominations via mail and email the first week of January. Nominations should be submitted to both Katrina and the Nominations Committee Chair, David. Nomination deadline is March 8, 2022. Marshall Lewis agreed to again serve as Inspector of Elections.
